

Catoosa County Schools
Transition Requests: Phase I
October, 2020

Elementary:

- No additional information is needed from parents if:
 - Your child attends face-to-face school full time and wishes to remain in that setting;
 - Your child attends digital learning full time and wishes to remain in that setting;
 - Your child is in the PreK hybrid environment and will be joining us in the 5-day, face-to-face environment.
- If you wish for your child's learning environment to change prior to the October 26th transition date, please visit our central enrollment center to complete the needed hardship waiver.
- If you wish for your child's learning environment to change on October 26th, (from either face-to-face to digital or from digital to face-to-face) then call the school and request the change. No waiver is required for the "end of nine-week" change.
- PreK Parents: If you wish for your child's learning environment to change on October 26th (from the new 5-day face-to-face environment to the full-time digital environment or from the full-time digital environment to the new face-to-face environment) call the District PreK Office at 706-965-6067 no later than October 19th.

Middle School and High School:

- No additional information is needed from parents if:
 - Your child attends face-to-face school in our hybrid environment and wishes to remain in the face-to-face, 4 day school that begins on October 26th. (This will transition to 5 days per week on November 30th.)
 - Your child attends digital learning full time and wishes to remain in that setting;
- If you wish for your child to change their learning environment prior to the October 26th transition date, please visit our central enrollment center to complete the needed hardship waiver.
- If you wish for your child's learning environment to change on October 26th, (from either hybrid face-to-face to full-time digital or from full-time digital to full-time face-to-face) then call the school and request the change. No waiver is required for the October 26th change.

***Please contact your child's school no later than Monday, October 19th for all change requests which are to begin on Monday, October 26th.**

****Learning environment change requests made after October 26th return to the hardship waiver process.**
